

Welcome to Premier Rotary Programs! All of us in Rotary know there are some very special programs created by clubs or districts that could be replicated. However, these programs sometimes tend not to be publicized. So we have established Premier Rotary Programs so you may submit your programs through this Resource Center. We want to know what you are doing that would capture the attention of Rotarians throughout Zones 23 & 24. Please, “Honk” your own horn and let us know what you are doing to make a difference.

Listed below are the Criteria we will use in judging each program submitted to us. In the end, we want to acknowledge the “Best” programs in our Zones. So, please take time and submit your program.
